Although we were beyond excited to see the family, returning to the hard tropics felt like a step backwards. But sometimes you have to scratch the surface a little harder Oh Montego Bay What an adventure. a warm ground, bison galore, shy bears and snow, snow, snow We drove into the It was always from one airport to the next, to some plush hotel or home and what followed was the usual city experience.

to say and certainly not something we ever imaged saying, but it is now true should not have been a surprise that we would be camping on a beach, but spent a week in the hard tropics, swatting shroogs away like mosquito s dad flew safe and sound headed on her own adventure and the road of mother hood.
